Who is it for?

Registered charities and constituted organisations working in, or for, communities.

How does it work?

As 'group leader', you get a free visit to We The Curious to assess the suitability of a community membership. Simply bring headed paper/ID from your organisation and you can visit without charge.

Once you have registered you will be eligible to purchase discounted community membership tickets to We The Curious – giving your group the chance to ask questions, get creative and test things out together.

How do I apply?

If you would like to become a member you will need to complete the We The Curious community membership application form below. Once we have received your application, we will respond within 5 days.

If successful you will then be registered as a Member, and eligible to purchase tickets at a reduced cost. These can either be bought in advance by your organisation and distributed, or individuals can purchase tickets when they visit.

Members will be contacted on a regular basis to ensure that the needs of your group are being met

How much do tickets cost?

After you are registered you can purchase your advance tickets for £4.
