Primary school trail

Plants
Plants get energy from the **sun**.

There is no rain in The Greenhouse, so plants have to be **watered**.

There are nutrients in the **soil** which help the plant to grow.

The plants have **stems** to keep them upright and absorb water.

---

**Find The Greenhouse**

**What’s growing today?**

Draw the plants growing in The Greenhouse below:

These pictures show how a seed grows into a plant.

1. A seed?
2. A seedling?
3. A plant with flowers?
4. A plant with fruit, containing seeds?
5. A plant with fruit, containing seeds?

---

**Label the parts of the flower:**

<table>
<thead>
<tr>
<th>Name</th>
<th>Function</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
</tbody>
</table>

---

**What do plants need?**

Plants get energy from the **sun**.

There is no rain in The Greenhouse, so plants have to be **watered**

There are nutrients in the **soil**, which help the plant to grow.

The plants have **stem** to keep them upright and absorb water.
