# we the curious Venue hire

We The Curious is an imaginative and hands on attraction offering unique event spaces for hire on Bristol's historic Harbourside.

We're an educational charity that removes boundaries around science – connecting art, people and ideas in a united culture of curiosity.

When you book your event with us, you are helping to fulfill our mission to continue working with community groups and school children across Bristol.

# Spaces

## Rosalind Franklin Room

The top floor of We The Curious offers a versatile event space filled with natural light. Guests can enjoy a breath of fresh air on the rooftop terraces overlooking Bristol Cathedral and Millennium Square. The adjoining Annexe can be used for breakout zones or as a spacious catering area.

**Perfect for conferences, exhibitions, awards ceremonies, weddings, private dinners and parties.**

**Max capacity 480**

## The Annexe

The flexible sunlit Annexe can be divided into three smaller rooms or used as a single space. Direct access onto the private terrace offers guests outside space to enjoy during their event.

**Perfect for meetings, workshops, networking, drinks receptions, summer parties and wedding ceremonies.**

**Max capacity 210**

## The Planetarium

The impressive silver dome is an exceptional choice for a presentation or a wedding ceremony under the stars. Alternatively add some sparkle to your event by treating your guests to an exclusive show. The UK's only 3D Planetarium offers fulldome technology and AV is included.

**Perfect for presentations, screenings, weddings and private shows.**

**Max capacity 97**

## We The Curious exhibition floors

The exhibition floors are available for private hire as an out of the ordinary introduction to your evening. Guests can grab a drink and explore over 250 interactive exhibits.

**Perfect for drinks receptions, launch parties and networking.**

**Max capacity 1000**

## Millennium & Anchor Square

These stunning spaces form the centre of Bristol's Harbourside with a vibrant collection of public artworks, water features and light sculptures. With handy on site facilities, we can accommodate a variety of outdoor events.

**Perfect for – markets, product launches, filming and photoshoots, festivals, exhibitions and staged events.**

**Max capacity 5000**
